The Haze dog coat is a luxurious quilted blanket lined with Welltex® and featuring a faux fur collar in heather brown and heather gray. The coat, with a 200-gram filling, features a removable, curved belly strap that can be individually adjusted to your dog for an optimal fit. The Back on Track® logo is located on the Velcro fastener on the chest as well as on both sides of the coat. Elastic leg loops prevent the coat from slipping. It matches our “Haze Collection” line of equestrian products and a laptop bag.
