A smaller version of the original: The ROECK-GRIP JUNIOR from ROECKL SPORTS is the unmistakable glove for kids who love horseback riding—and it comes in 5 colors. ROECK-GRIP® is **extremely breathable**, **elastic**, and **supple**. In short: It fits children's hands like a second skin. At the same time, it offers **exceptional grip** and **a sensitive feel** on the reins. The Munich-based glove specialists also place great emphasis on the quality of craftsmanship: The individual pieces are sewn together by hand with precision. Seam tolerances of no more than one millimeter are just one tangible measure of quality, because comfort cannot be measured. It's the cuts and proportions that make the difference. This is where ROECKL excels, drawing on 180 years of experience in the art of glove-making. Practical: The ROECK-GRIP JUNIOR can be machine-washed at 30° Celsius. The distinctive strap with the
