JULI ATHLEISURE—these brand-new, **super-stretchy** women's riding pants do away with bothersome buttons and zippers entirely. The pants are made of **super-stretchy** performance fabric with **a soft inner lining** and offer excellent sweat absorption and **an optimal fit**. The wide, elastic waistband with a woven striped pattern ensures maximum comfort. The additional **large cell phone pocket** on the thigh is also super practical. The 3/4 Grip seat insert is color-coordinated with the outer fabric.
