Zedan's leather oil is ideal for regular cleaning Zedan leather oil gently cleans, lightly moisturizes, and repels water. Thanks to these properties, it’s ideal for the regular care and cleaning of all smooth leathers. Ingredients

- Castor oil (from certified organic cultivation)
- Canola oil (from certified organic farming)
- Orange oil
- Vinegar (from certified organic cultivation)

Certified Natural Zedan’s leather care products bearing this seal are manufactured according to strict criteria for natural products. The independent institute Eco Controll monitors and certifies compliance with these criteria every year. This ensures that these products feature effective care formulations with ecological added value, reflecting our commitment to animals, people, and the environment. The products are 100% free of silicones, mineral oil, microplastics, parabens, PEGs, GMOs, paraffins, petroleum jelly, and synthetic colors and fragrances.
