The soft and durable polyester mesh outer material is breathable. It offers maximum insect protection with the NEW Ultra belly flap

Product information

and the full-wrap tail flap, featuring a two-piece design that hugs the horse’s hindquarters. The elastic inserts at the withers provide additional comfort while grazing, and the traditional gussets ensure that natural movement is not restricted. The Ezi-Clip chest fastener makes putting the blanket on and taking it off quick and easy, and thanks to the elastic, adjustable, and removable leg straps, the blanket stays securely in place.
