An innovative solution that provides welcome protection against flying insects around the horse. Made with natural peppermint essential oils.

Shake well before use and apply about 30 sprays each time.

Use every 2 days during the first week, then as needed.

One bottle provides approximately 450 sprays. The ready-to-use liquid does not stain or leave a sticky residue.

Ingredients: peppermint essential oil, geraniol, glycerin, hydrogenated castor oil, glyceryl cocoate, benzalkonium chloride, dipropylene glycol, benzyl alcohol.
