The Vestrum NIZZA Women’s Competition Jacket is an elegant competition jacket that combines sporty functionality with clean, modern lines. The black version combines a sophisticated look with bi-elastic fabric that performs just as well on horseback as it does when moving on the ground. The fit is designed to flatter various body types and creates a harmonious silhouette, even for curvy figures.

The craftsmanship features carefully placed details: mini studs in two colors on the collar and side pockets, as well as solid-color mini studs on the Vestrum logo on the sleeve, give the women’s competition jacket a subtle, high-quality touch. The double concealed zipper at the front ensures a clean look, while the four personalized buttons featuring the Vestrum logo underscore its exclusive character.
