Delivery **Mon 09. Nov - Tue 10. Nov 2026**

The Horseware Micklem® 2 Competition Bridle combines exceptional innovation with performance and offers the anatomical comfort your horse needs from its bridle! The Micklem® bridle features a unique design and a redesigned headpiece that reduces pressure around your horse’s sensitive neck and ears to alleviate discomfort and minimize tension. It is crafted from eco-friendly, vegetable-tanned leather that is soft and supple and has a very luxurious look.
Micklem reduces pressure at 5 points

- on the neck and ears
- at the jaw joint
- on the sensitive nerve at the front of the face / on the cheek
- on the protruding molars and the sensitive tissue in the mouth
- on the sensitive tip of the nasal bone

The clever design also protects the inside of the mouth and eliminates numbness in the lower face caused by unnecessary pressure on the nerves. The noseband

Product information

also minimizes any discomfort or breathing restrictions that can result from a low-fitting Hanoverian noseband. The intelligent design of this bridle eliminates potential pain and discomfort under the tongue caused by unnecessary pressure, allowing you to communicate with your horse more subtly and pain-free.

Delivery does not include reins!
