Horse Size: Cob

Soft, flexible, and thoughtfully designed. The ComFiTec Luxe Stretch Fly Mask with ear and nose protection offers lightweight protection that adapts to your horse's movements. Whether grazing or galloping—this mask keeps insects away without compromising comfort. The zipper under the chin allows for quick and easy donning. Soft mesh ear panels and a contoured nose panel ensure air circulation and UV protection.

- Flexible comfort: Lightweight, soft stretch fabric that prevents chafing and skin irritation.
- Clear vision: The raised, pleated mesh keeps the mask away from the eyes, ensuring unobstructed vision and protection from insects.
- Extra comfort: The improved forehead strap and fleece padding at the nose provide additional comfort.
- Quick adjustment: Thanks to a zipper under the chin, the mask can be fastened quickly and securely.
- Cool and protected: Soft mesh ear pads ensure good air circulation, while the extended nose clip provides additional comfort and UV protection.
- Sun protection: Provides an average of 65% UV protection for added safety.
